INDUSTRIAL UNIFORM RENTAL SERVICE
SPECIFICATIONS

QUANTITIES:

The County of Monroe can provide no guarantees that rental items will be utilized in the future to the same extent as in the past or that an extension of these contract terms into an additional twelve (12) month period will be accompanied by the same pattern or volume of use that prevailed during the original contract period.

INVENTORY CONTROL:

It will be the responsibility of the successful bidder(s) to establish and maintain adequate inventory of each item required by a using department at each such location or address serviced. For each delivery to a location, the contractor must have a receipt signed and verified as to quantities picked-up and/or delivered.

LOSS CHARGES:

Each bidder should build into his pricing system an allowance for normal wear, tear and loss of rental items. In the event that losses become excessive for any rental item, 5% of total usage for each location, the County will, upon approval of the appropriate division head, pay for such losses as are deemed to be excessive at pre-established rates. The bidder shall be required to include as a part of their bid proposal, in the column indicated, the loss rates per piece that would be charged for the various items. Loss rates that are deemed excessive may be grounds for rejecting a bid.

PICKUP AND DELIVERY:

The Contractor must establish and maintain satisfactory pickup and delivery service schedules at each location or any additional location(s). Failure of the Contractor to maintain a satisfactory pickup/delivery schedule could result in contract cancellation.

LOCATIONS:

Schedule A lists the various locations within the County where laundry/mat rental service is currently required. **Monroe County reserves the right to make additions to or deletions from the list of locations to be serviced and also reserves the right to make adjustments in the type of service requested.**

BIDDING INSTRUCTIONS:

Bid prices on all items must be made on a unit (weekly) basis. Estimated quantities of each item required are as shown on the unit price sheets. Failure to bid all items within a group may cause the bid for that group to be considered informal.

Industrial garments and uniforms will be bid on a (1 x 3), (2 x 5), (3 x 7) and/or a (5 x 11) basis representing different frequencies of change of clothing on the part of employees. The prices submitted by the successful bidder for different frequencies of service will become a part of the contract. Each using location will determine the type of service it will utilize at the time of the award of the contract and each has the right to change or amend the frequency of service received at any time during the life of the contract.

**NEW PERSONNEL/
LOST/DAMAGED
CLOTHING:**

When new personnel are hired, or clothing is lost or damaged, they will receive new clothing, regardless of where the request falls within the contract term.

REPORTS:

The contractor will supply the Purchasing division, upon request of usage with a report. This report will list the usage by location and type of service being utilized by Monroe County departments. Failure to supply these reports could cause the contractor to be deemed irresponsible, which could be cause for contract termination.

**QUALIFICATIONS OF
BIDDERS:**

Since prompt service is vital to the operations of the County, no bid will be considered unless the person, firm or corporation submitting the bid can meet the following conditions and if required, shall certify its ability to meet them:

1. Bidders must submit a detailed plan outlining their procedures, including but not limited to; number of vehicles/personnel who will service this contract, obtaining measurements, pickup and delivery schedules and any other pertinent information that would ensure their successful performance of this contract.
2. That the bidder will carry in stock sufficient quantities of uniforms, clothing and other items listed in the specifications to insure normal delivery of requested items in the varieties and colors specified by the ordering division. Within 24 hours of notification, to supply to any location, items that they may have been shorted or missing from normal deliveries.
3. That it will protect, at its own expense, the County of Monroe from all claims for patented articles, processes, materials, inventions and methods in connection with this bid.
4. That neither the manufacturer of the clothing specified nor the bidder is in bankruptcy, in the hands of receivers, or in the process of changing ownership. Financial reports to document this is required.
5. A listing of all contracts held within Monroe County within the past five (5) years, with contact names and numbers of personnel serviced.
6. Names and telephone numbers of supporting personnel who will service Monroe County under the resulting contract. This list is to include personnel to be contacted with service problems and also billing problems.

Failure to supply all information requested could result in a bidder being declared non-responsible.

CONTINGENT ITEMS:

Wherever the specifications are explicit, they must be strictly adhered to. However, it is neither practical nor feasible for the specifications to cover every possible contingency that might occur in the execution of these contracts. Therefore, the specifications have been written with the intent of outlining in general fashion the duties and services to be performed by both parties to the contract. If a problem occurs which is covered only in general terms in the specifications or instructions, it will be the responsibility of both parties to the contract to work out a fair and equitable solution. In the event that the problem is not satisfactorily resolved at the operational level, it should be brought to the attention of the appropriate division head and the Monroe County Purchasing Manager so that a satisfactory solution may be reached.

**CONTRACT
TERMINATION:**

If the successful bidder fails, after seven (7) days written notice, to prosecute the work with such diligence as will assure its meeting the specified time frames or shall, in any other respect, commit a breach of their contract, the County may terminate the contract resulting from this bid without any further notice to the successful bidder. Any and all costs, damages or other expenses incurred by the County as a result of the aforesaid termination shall be the direct liability of the successful bidder.
